Russian operational troops grouping on Don operational direction

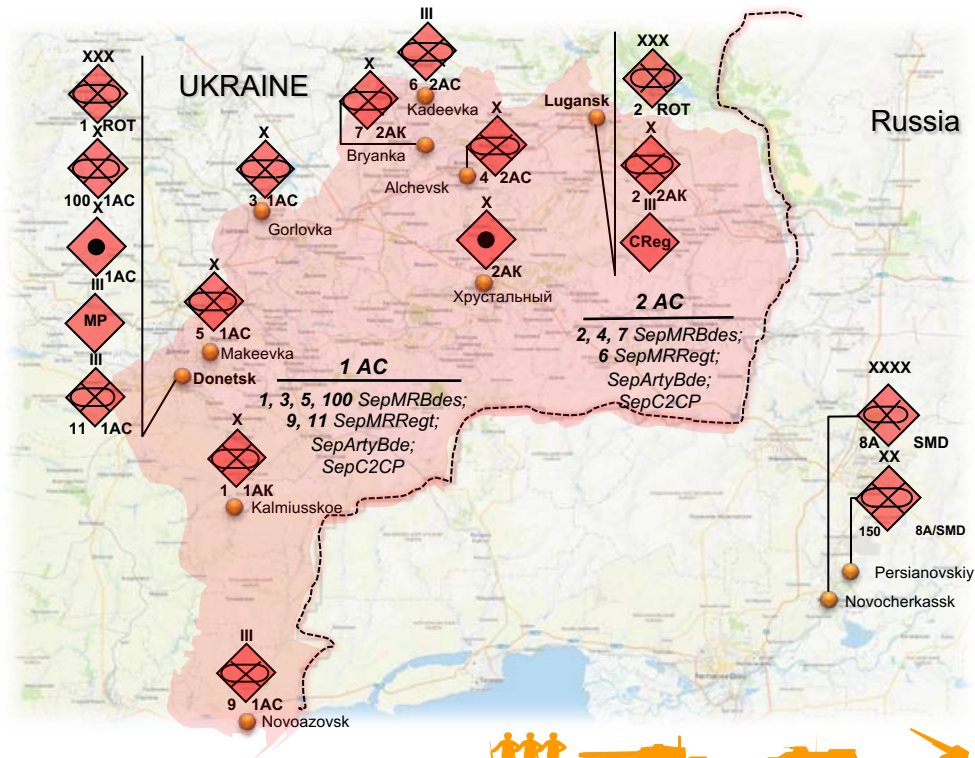

In accordance with RF military doctrine, in Don operational direction, Russian occupation troops operational grouping has been deployed on the basis of the Southern MD 8th A HQ in order to perform tasks. Operational grouping consists of:

- 1st and 2nd ACs (deployed on the TOT of the East of Ukraine);
- Units of the Southern MD 8th A;
- BTGs/CTGs of different services and branches of RF AF (on rotational basis);
- Operational reserve of the Southern MD and another MDs.
